

# Weather-it

1

## Fancy a mission?

Then, join Weather-it!

Are you wondering...

- How bright is it around the world?
- What kind of weather will low clouds bring?
- Create and join weather missions, invite your friends and find out the answers together!

*A mission created by The Open University*

## Sense-it, Spot-it, Win-it

3 types of mission

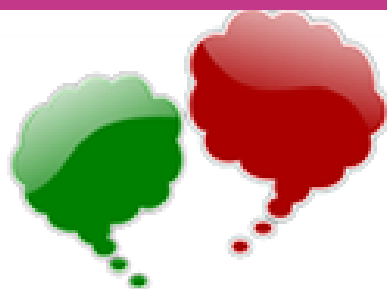

**Sense-it:** Download the Sense-it app (android) and collect data from your phone's sensors (light, GPS, etc.)!

**Spot-it:** Take a photo and upload it!

**Win-it:** Propose questions and answers, vote for the best one, and win a prize!
